

Instalment Clause

Whereas **You** have agreed to pay the premium to **Us** by instalments, if any instalment has not been paid to **Us** by the date that it is due then **We** shall have the right to cancel this **Certificate** by giving **You** 14 days' notice in writing. If **We** exercise this right then the premium payable by **You** shall be due to **Us** pro-rata for the period during which **We** have been on risk during the **Period of Insurance** unless any notification has been made in accordance with Claims Condition 1 prior to the expiry of the notice period in which case the full premium shall be due and payable.

We agree that if the premium due is paid in full to **Us** before the notice period expires, **Our** notice of cancellation shall be withdrawn automatically.
