

PRIVACY NOTICE

The General Data Protection Regulation (GDPR) gives **You** rights over the processing of **Your** data by whoever and wherever it is held. The GDPR requires **MUM**, a controller of **Your** data, to provide clear privacy notices to **You** when **You** provide **Your** data to **MUM** and to protect **Your** data rights through appropriate contractual clauses with **You** and third parties (i.e. controllers and processors of **Your** data). Details of who **MUM** is and where **MUM** can be contacted can be found on our website www.manchesterunderwriting.com. As an underwriting agent for insurers, **MUM** will collect and transfer **Your** data to various parties associated with the services that we provide to **You**. Details of what information **MUM** collects, the legal basis for this, who **MUM** passes it to and why **MUM** does this are set out in **MUM's** privacy notice which may be accessed on **MUM's** website at <http://www.manchesterunderwriting.com/contact-us/privacy-notice/>. **MUM's** policy is to keep any information obtained from **You** secure and confidential and only to use it for the purposes of providing insurance, or as may be specifically agreed with **You**.
